8:30 PM							
9:00 PM							

ATTENTION POOL PATRONS

- We will be closing the pool at 8:45pm every weeknight in order to insure that the locker rooms are empty and the pool area is cleaned by the 9:00pm closing time of the Casper Family YMCA facility.
- During the afternoon swim lesson time(4-5:30) beginning the 27th of October there will only be one lane open for lap swim available for the public; Our lesson groups have grown explosively in the last couple months and we require the full use of the pool.
- The lifeguard staff would like to remind you that we have an inservice training every 3 Saturdays, approximately once a month, from 6-10am. We will be keeping the pool closed during this time in order to practice the skills needed to keep you safe.

NATRONA COUNTY HIGH SCHOOL IS USING OUR POOL

The NCHS pool has been permanently shut down and there are 2 swim classes a day in our swimming pool. We ask that you be patient with the students and with us while we figure out how this will all work for the remainder of the school year. The students have alternating days of class and we will be attaching a schedule of their swimming days and times in order to make your swimming experience more convenient.

Thank you for your continued support and understanding!
